

CommBank's School Banking program is available at your school.

Ensure your child starts two great journeys at once.

For more than 85 years, the School Banking program has been providing a fun, interactive way for Australian children to learn about the value of money and smart saving. As your child's school participates in School Banking, CommBank also provides your school with fundraising support.

To be involved, all your child needs is a Youthsaver account. They can then make regular deposits at school on School Banking day and be rewarded along the way with our exciting Rewards Program. They can also keep track of their savings and more with the CommBank Youth app, available to download from the App Store.*

Get ready for your child to meet the Dollarmites and start saving with School Banking when they start school.

Three ways to open a Youthsaver account for your child.

1. Apply online at commbank.com.au/schoolbanking

2. Log on to the CommBank app (if you bank with CommBank)

Head to the menu on the top left corner, select 'Products and offers', then 'Bank accounts' and 'Student and youth accounts', scroll down to 'Kids' and tap 'Open account'.

3. Visit any CommBank branch

What you'll need

We will need to see personal identification for you and your child. You can use a birth certificate, passport, driver licence or citizenship certificate.** If applying in branch, please bring along your child's birth certificate and/or any applicable Court Order to help us identify you as the parent or legal guardian.

Your child will receive a Dollarmites deposit wallet when you open a Youthsaver account in branch, or in the mail if opened online or via the CommBank app. They will use this wallet to make their School Banking deposits.

Things you should know: *The CommBank Youth app is available to download on any iOS device 9.0+ from the App Store. Your child will need a NetBank client number and password to log on to the app. You can set this up when applying for a new account. Existing customers simply visit a CommBank branch with identification for you and your child's birth certificate, or if you can see your child's account in your NetBank or CommBank app, visit commbank.com.au/youthapp and follow the steps.

**The Bank will accept one of the following documents as acceptable identification on its own. Please note citizenship certificate can only be used as identification in branch. Birth certificate or the birth extract issued by an Australian state or territory. Birth certificate issued by a foreign government, the United Nations (UN) or an agency of the UN. Citizenship certificate issued by the Commonwealth. Citizenship certificate issued by a foreign government. Note: if written in a language not understood by the person carrying out the verification, the document must be accompanied by an English translation from either a translator at the level of Professional Translator (or above) currently accredited by the National Accreditation Authority for Translators and Interpreters Ltd (NAATI) or another accredited translator who currently holds an equivalent accreditation. NAATI is the Australian government owned National Accreditation Authority for Translators and Interpreters. Where a parent/legal guardian is a signatory to the child's account, they are required to be identified to the acceptable identification standard.
