- If you answered 'no' to volunteering, don't worry, there is still time! We need helpers for nearly everything, including set up on Saturday morning (from 7am) and pack up Saturday afternoon from 4pm. We may have bacon & egg rolls for morning helpers, and a wine/beer and nibbles for afternoon helpers! Please sign up on the sheets in the front office, or email office.shps@cg.catholic.edu.au with your name, best contact details and preferred time and job.
- We also need stall helpers for most of our stalls. Rosters are up outside Kerry Wode's office. The BBQ is looking particularly sparse!
- A big thank you to everyone who is busy preparing in so many ways – Class parent reps helping with volunteer rosters; Stall Coordinators; Plants, Craft and Baking.
- We are looking for any Year 6 students to help out on our Bodyworks Stall doing coloured hair spray and tattoos. If parents could get in touch with us that would be great.
- If you haven't sold your raffle tickets, please give it your best shot to sell them. We have additional tickets available at the front office if you are one of the champions that is able to sell more than one book.
- We can't take any more books/dvd donations at the moment due to storage, but please bring any that you have from 12pm Friday and 7am Saturday.
- Pre-purchase is now available for Fete Flowers and the Outdoor Inflatables Zone all-day pass. You can pay via QKR, order form or directly to the office. Pre-purchase is great value, but not refundable. For your younger members (Yr2 and below) there are Indoor Inflatables available on the day. Fete Flowers give children independence to purchase a range of items.

Thank you so much for your support everyone! If you need any further information please contact us on ememwright@gmail.com
