LOOK out for all the Volunteer notes on the following pages. You can help make your child/rens fete a huge success.
Calling all Gardeners! (and those that just have plants they don’t know what to do with!) We need plants to pot up for the school fete, and any decorative pots that would look nice with something in them.

Do you have a cluttered garden bed that needs thinning out? Pull those plants out and bring them to school, either in a pot or just a bag and I will pot them up.

Don’t have the time? Let me know and I can come and dig them up for you!

Any plants or decorative pots can be dropped to the school and I will collect and store them until the fete.

The sooner the better, the fete is closer than you think! Get out and get digging. Thanks in advance, Rachael Dawes 0439 194 648
