Term 2 | Week 6

Dear Parents and Carers,

The heart has always been seen as the "center" or essence of a person ("the heart of the matter," "you are my heart," "take it to heart," etc.) and the wellspring of our emotional lives and love ("you break my heart," "my heart sings," etc.) Devotion to the Sacred Heart of Jesus is devotion to Jesus Christ Himself, but in the particular ways of meditating on his interior life and on His threefold love -- His divine love, His burning love that fed His human will, and His sensible love that affects His interior life. Oh Sacred Heart of Jesus I place my trust in you.

We are very much looking forward to celebrating the feast of Sacred Heart tomorrow and look forward to catching up with you at one of the events if you are able to join us.

We are delighted to announce that Mr French and his wife Meredith are expecting their first baby soon. We wish them every blessing as they await the babies arrival.

We wish to express our deepest Sympathy to the family and relatives of Tano Travier. Tano was a valued member of Sacred Heart Primary School for a number of years. He generously fulfilled his position as Janitor. The funeral service for Tano will be held at Holy Trinity Catholic Church in Curtin at 11am on Friday.

Enjoy the long weekend and travel safely if you are heading out of town.

Listening Sessions for Plenary Council 2020

As many of you are aware, the Catholic Church will be holding a Plenary Council in 2020. A Plenary Council is a formal meeting of the bishops and other representatives of all the dioceses and parishes of the Catholic Church in Australia. Its purpose is to discern what God is asking of us in Australia at this present time. While the church should be asking that question continually, a Plenary Council is a particularly graced instrument for seeking the Holy Spirit's guidance. And it has the authority to make church laws on the results of its discernment. Although in the end it will be the bishops who will vote on any future directions for the church in Australia, they will be making those decisions in the light of a long listening to the Holy Spirit speaking through the voices of any of the faithful who wish to speak around Australia. This makes the Plenary Council 2020 different from the last one in 1937. Everyone has a chance to participate and to express whatever the Spirit is saying to them in their heart.

In Canberra, there will be four listening sessions to allow the lay people of the Church and more importantly, those who are distanced or disaffected by the Church to have input into what we think God is calling the church in Australia to be. Details of these sessions are available on the link below. If you are unable to attend one of these sessions, however would like the opportunity to provide individual input you can visit the website and write your own submission at: <http://plenarycouncil.catholic.org.au>
