SHPS Reminders

Term 3 | Week 2

Dear Parents and Carers,

As you can see by the overviews that were sent out on Friday the SHPS staff have planned an exciting program of learning for your child/ren this term. Your willingness to show interest and support for what is happening in our classrooms sends a very powerful message to your child/ren. The research conducted on analysing the factors as to why children succeed in school, clearly states that there is a strong connection between successful children and those families who show interest in their child's learning and by supporting the school. I thank you for your continuing support of your child/ren's teacher as we begin our new term.

INTEGRITY

Following on from the Values Assembly on Friday where Miss Evans and 3/4 White Introduced our Term 3 value, I thought I would highlight other peoples thinking through the newsletter as we try to demonstrate these values across our community. "Integrity" is a word you hear almost every day, but it's not a word that people spend a lot of time thinking about. If you try to define it, what would you say? According to the dictionary, integrity is "firm adherence to a code of especially moral or artistic values." Put another way, the root of integrity is about doing the right thing even when it's not acknowledged by others, or convenient for you. An individual with integrity is the antidote to self-interest. There are countless examples of integrity in everyday life - From Psychology Today.

I would encourage you to actively look for and chat about examples of integrity with your child/ren at home and in the community.

MATHLETICS WORKSHOP

There will be a Mathematics Workshop for all parents wanting to know how Mathematics is taught at Sacred Heart Primary School. It will be held on **Wednesday the 8th of August at 3:45pm in 3/4S**. Parents and Carers are most welcome. Lisa Binutti-Wilson (Maths Coordinator)

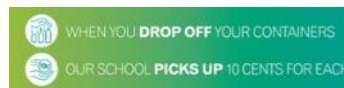

CONTAINER DEPOSIT SCHEME

We had a great first week of collecting containers for the Container Deposit Scheme. Our efforts have raised \$72.10 for environmental projects at school - that is 721 containers returned! Sacred Heart will continue to collect the containers at school from families, there are now recycling bins for this purpose in the bike cages so you don't even need to bag them. Just drop off the containers and someone from the school community will deliver them to the depot. Alternatively you can return them at a Return-It Express point and use our unique code: 0123456789. Remember to ask family, friends and neighbours to collect them as well.

LIBRARY NEWS

Term 3 is a very exciting time in the library. This is the term we celebrate the Children's Book Council Awards (CBCA). During Library lessons, we explore the shortlisted books. The students will then respond creatively through art experiences. This prepares us to celebrate Book Week during Week 5 (20-24 August). Sacred Heart's artwork will be on display at Westfield Woden during this week. On Thursday 23rd August we will have a dress-up parade. There will be more details in the coming weeks.
