Dear Parents and Carers,

Feast of the Assumption 15 August

Yesterday we celebrated the Feast of the Assumption of our Lady when according to our faith, our Holy Mother Mary, having completed the "course of her earthly life, was assumed body and soul into heavenly glory". "My soul proclaims the greatness of the Lord and my spirit rejoices in God my Saviour because he has looked upon his lowly handmaid." (Luke 1:46-48)

Annual Satisfaction Survey 2018

The annual satisfaction survey of parents, students and staff will be conducted on behalf of all Catholic schools in the Diocese this term. The surveys are designed to gather feedback from parents, staff and students about our school and will be used to inform school improvement. Responses are confidential, and individuals cannot be identified. The surveys will be launched via email on August 20 and close on August 31, 2018 using the email addresses supplied to the school. If you do not receive an email with a link to the survey on 20th August, please email the front office and a link will be sent to you.

Nurturing Hearts Minds and Spirits

Polly and Lucy busking at Chifley shops on Sunday to raise much needed money for our farmers. The generous donations by locals and the Chifley Grocer meant that their total of \$355 was then matched by A Bite to Eat!! Heaps of thanks to the locals, an emergency borrowed ukulele from Alexia and a big shout out to Mrs Hackwill for inspiring these young musicians.

BOOK CHARACTER PARADE - Thursday 23rd of August

To celebrate Book Week, students are invited to come dressed as their favourite book character or using the Theme *Find your Treasure* in our **Book Week Character Parade on Thursday 23rd of August**. The parade will be held in the hall following morning assembly. Parents and Carers are welcome to attend.

Science Week 2018

Fun with Science. #FizzicsEducation intrigued us with many interesting science experiments. We exploded balloons filled with nitrous oxide, spun like the space station, and saw how air moves with smoke and toilet paper.

Great learning during Science Week.

This is our new investment in **STEM** from some of the money raised from the Colour Run
