

# CECG Quick Sign In

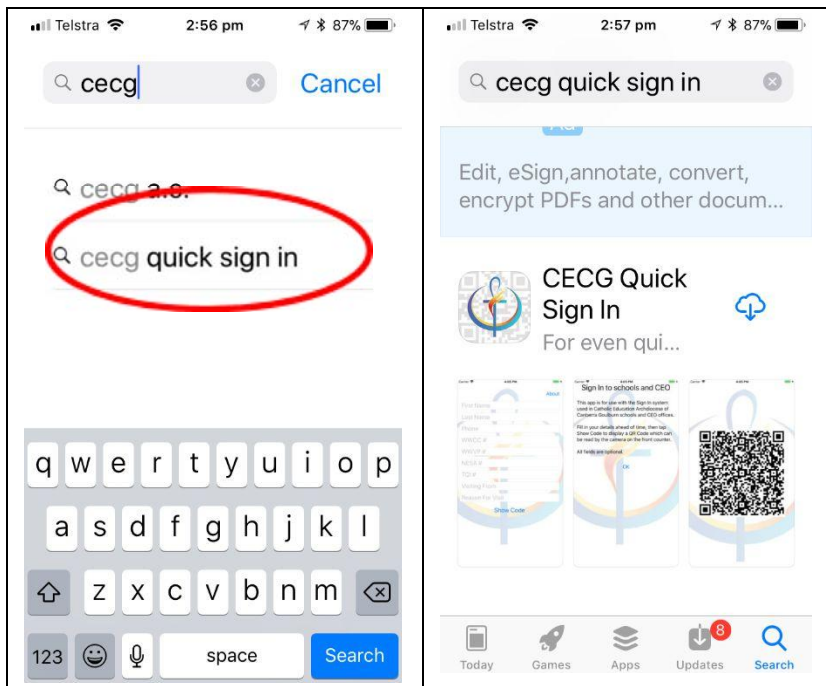

To make it easier for Visitors to sign in, we have created an App that translates your information into a QR Code called CECG Quick Sign In.

You can make use of the following QR code to install the App:

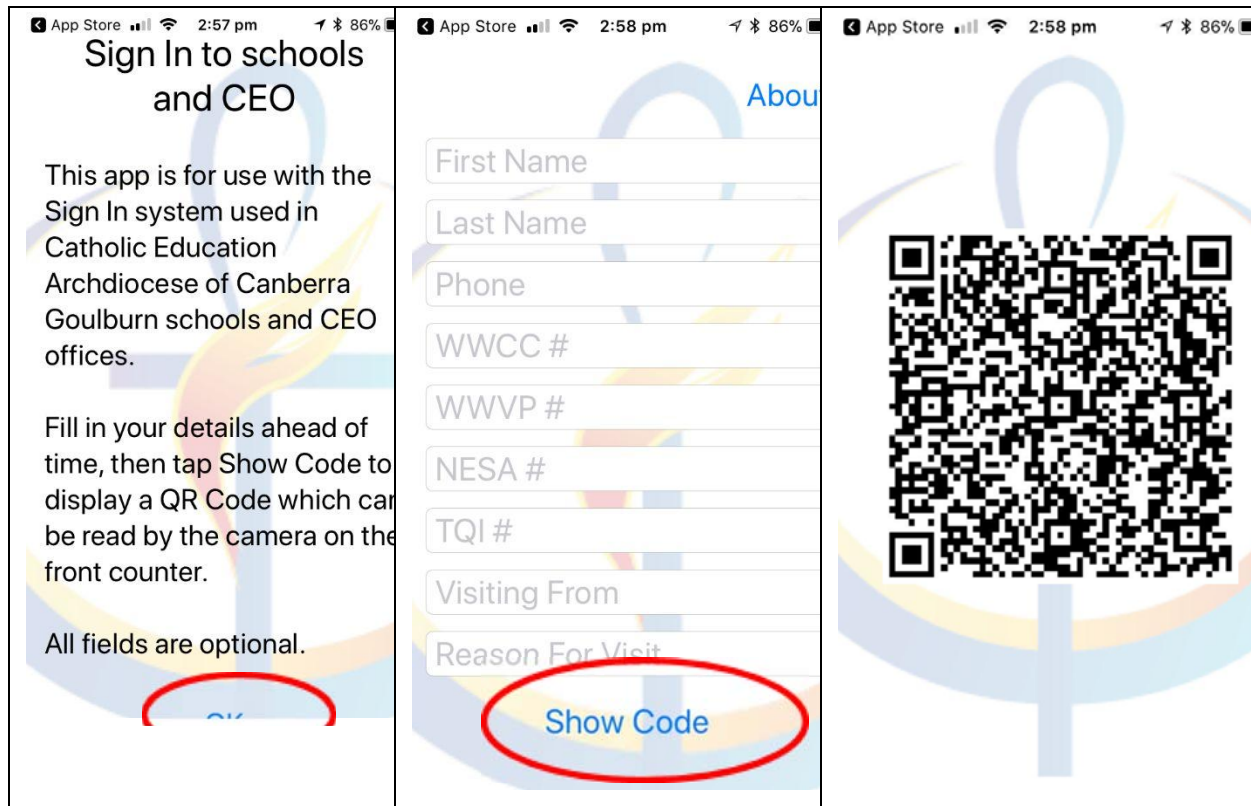

Alternatively, you can do the installation via the App Store (for Apple) or the Google Play (for Android) by following these instructions:

Click on **Search** and type in **CECG** and then you select the **CECG Quick Sign In**.

Get and install it on your phone.

Open the App and click on OK to accept the brief description. Complete the required fields. Once done, you can click on Show Code.

The app on your phone looks like this:
