Raffle

We have amazing prizes, donated by our many generous sponsors. A book of tickets will be sent home with each family next week. Please sell these tickets to your friends and neighbours and return all monies and tickets to school ASAP.

Volunteer Rosters

Class Parent Reps and various Stall Holders are signing up volunteers to work on the school stalls. What time can you give? Contact your rep or sign up during the disco on the 16th August.

Donations of books / DVDs

We are accepting donations of good quality books and DVDs for the Book Stall. They can be left at the school office.

Social Craft Afternoon 9th September

We invite adults to a craft afternoon in the school hall on Sunday 9th September. \$5 entry will get you afternoon tea and an opportunity to make craft items to keep or donate to the fete craft stall. The committee will bring materials along, but feel free to bring your own items to make in good company. Please contact Karin MacDonald with any queries. RSVP to Emily.
